[Canyon Pines Releases First Eight Homesites for Sale](#)

Canyon Pines, a new residential development 40 years in the making, has just released its first eight homesites for sale in their forested location on the eastern edge of the Rockies in Coal Creek Canyon,

with access to 150 acres of open space and backcountry trails. The development, which will comprise 90 private residences, is made for design-minded clients who are looking to create custom homes with high-quality architectural character, using fine materials and aesthetic inspiration in harmony with the surrounding natural ecology.
